

EUREKA RETREAT HOUSE RULES & SUGGESTIONS

We are pretty easy going. However, we do have a few simple rules and suggestions for our guests.

1. **ARRIVAL.** It is helpful to know when you are arriving the first day of your visit. Please send us a text message.
2. **PAYMENT.** We ask that guests pay the balance due on their stay on the first evening once they are settled. Please make checks payable to: MICHAEL MENES. Or you may also pay through PAYPAL.
3. **SHOES.** We prefer if guests take off their shoes and leave them in our entryway. Appropriate footwear must be worn in our dance studio at all times or you may go bare foot or just wear socks.
4. **SECURITY.** We don't give our guests house keys. However, it is very safe and secure where we are located so you shouldn't have any problem getting locked in or locked out. We do lock up when all guests are ready for bed.
5. **DRINKING WATER.** Our well water is ok. But we keep a good supply of fresh natural spring water in the refrigerator. It's from an excellent local source called COOPER SPRING. Or there is filtered water (and ice) on the fridge door.
6. **SHEETS, TOWELS & LAUNDRY.** We provide guests with clean sheets and clean towels. Feel free to use our washer and dryer in the kitchen.
7. **POWER SURGES.** It is not unusual to get a power surge during storms in our area. We suggest that you use one of our surge protectors when recharging your electronic devices.
8. **EMERGENCIES.** You can find 9-1-1 and other emergency phone numbers posted on our REFRIGERATOR. (Hard to miss!) We also keep our FIRST AID KIT on TOP OF THE FRIDGE just above the emergency numbers.
9. **NO SMOKING.** No smoking is allowed inside the building.
10. **NO PETS.** We don't allow pets. We make exceptions for professionally trained service animals.
11. **FOOD.** Please buy your own food or chip in for groceries if sharing meals. (There is a HANNAFORDS near the intersection of Route 117 and Route 4 in TURNER or the nearest small market is TILTON'S located in the center of BUCKFIELD.)
12. **DISHES.** Please wash your dishes or place them in the dish washer.
13. **GUEST COMPUTER.** A few suggestions of things to see and do in the area are on our website at: www.eurekaretreat.com/-nearby.html. There is a lot more information available on our GUEST COMPUTER. You can log into it in our upstairs lounge on the account EUREKA GUEST (Password is "guest"). We have many helpful bookmarks in SAFARI and GOOGLE EARTH.

14. **OUTDOOR SHOWER.** Our guest bathroom is very new and very clean, however, in the summer we recommend taking a morning shower outside in our private outdoor shower. You may wish to bring your own robe with you and a pair of flip-flops or sandals.

15. **COMMON SENSE.** No juggling of fire indoors, sharp objects, or anything else that might damage the space. Ask us to roll down a carpet if you are unsure.

16. **ELECTRICITY.** Please turn things off after you're done using them.

17. **HOURS.** Try to be quiet after 10 PM.

18. **CLEANLINESS.** Please help keep the building clean. It is a very large building and it is a lot of work to maintain it.

19. **MAILING LIST.** We will automatically add your email address to our mailing list unless you would prefer us not to. We keep email addresses confidential and for our own use. We only send out newsletters approximately four times per year along with special announcements. You may, of course, unsubscribe at any time.

20. **GUEST BOOK.** Please don't forget to sign our guestbook at some point during your stay with us!

21. HAVE FUN!!!

Eureka
